NEWS-01: USSVI National and Region Elections underway Submitted by: Pat Householder on 8/2/2010

Please give this your widest possible distribution within your base.

Shipmates, the online portion of our 2010 national elections opened on June 5th and will close a week before the National Convention.

Not voted yet? Please review the information on the candidates and issues in Issue 2 or 3 of American Submariner and cast your ballot. It is your voice in the future direction of USSVI.

Also, please be aware of the screen "Zoom" feature in newer versions of the Internet Browser. (Lower right corner of the screen) This is not a defect; it is a 'aid' for those of us with failing vision.

If the "Zoom" is set higher than 100%, you may not be able to see the right side of the ballot without 'sliding' the screen over, so if you do not see the candidates on the ballot, either reduce your "Zoom" or slide the screen over.

Below are links to the resumes of our three shipmates running for National Commander.

All three are good men, all retired USN, with the best interests of USSVI at heart, and their approaches to National Leadership and the future direction of USSVI are somewhat different.

Our national organization no longer is a small sub-club and it needs experienced business oriented leadership on the board if we are to insure our survival as an organization for the future submariners of the US Navy so that USSVI can continue to carry out its memorial and fraternal purposes.

So read carefully, ask your questions of the candidates if you have any, then vote using your best judgment.
