Submitted by: Pat Householder on 10/4/2011

Note to Base POC Manager: Please give this message wide distribution to your base members.  
----

Since 2005 Chief Technical Officer Tim VeArd has served USSVI faithfully and well. Tim created and has maintained the versatile and effective online data management system now in place, but after six years of service, it is time that his relief be found.

This is one of the most critical positions in USSVI.

Please read over the linked "Recruiting Call" and if you have the skill set, interest and motivation to assume the CTO position, your shipmates in USSVI needs you!

Please send Patrick Householder ([householderp@comcast.net](mailto:householderp@comcast.net)) a email indicating your interest and qualifying information so that we can move on to the next step.

11/11/2011

All USSVI Shipmates in the NE Region (or anywhere else who want to do it)

USSVI has been invited to participate in the Veterans Day Parade in New York City on Nov 11, 2011. All members interested in participating, please contact Bill Andrea, ESRD at either e-mail ( [wandrea@bellsouth.net](mailto:wandrea@bellsouth.net) ), or by phone (561-389-3032 cell, or 561-790-1287 home) within the next week, so the parade planning committee can make space allowances for us.
