Laveen, AZ Parade This Saturday

=============

This Saturday is the Laveen, AZ parade where we'll use our float for the first time this year. The parade will actually start at 10 a.m. and runs along Dobbins Road starting at 43rd Ave. to 51st Ave. But if you want to be in the parade, be at the 43rd Ave. staging area by 9 a.m. Let's make this a great start to the 2012 year.
