NEWS-04: Remember!
Submitted by: T. Michael Bircumshaw on 9/11/2012

On this day, November 11, 2001, our Islamist enemy carried out a dastardly sneak attack on our United States by commandeering commercial airliners and flying three of them as missiles into the twin towers in New York City and the Pentagon in Washington, DC.

A fourth plane, also hijacked, was flown into the ground near Shanksville PA when the passengers made a heroic resistance against the hijackers.

Nearly 3,000 innocent men, women and children were killed in these cowardly attacks, and our magnificent military establishment rose to the occasion and has dealt and eleven years later continues to deal devastating blows to this unrepentant and fanatical enemy.

Remember!

And pray for the souls of the departed innocents and for our military forces that have paid in blood for the freedoms we enjoy today.

Never forget, Freedom is not free
