NEWS-01: Finding shipmates...
Submitted by: Pat Householder on 9/14/2012

Are your Base members interested in relocating their shipmates from a boat you served aboard?

This linked video will show you how to use the USSVI resources to explore our database of American submariners.

We don't have 100% of all submariners recorded, but we do have over 72,000, including roughly 22,000 on their final patrol.

Both U.S. submarine builders have teamed up to rebuild the nuclear-powered attack submarine Miami and return the 22-year-old undersea craft to service.

On Friday, the team of General Dynamics Electric Boat and Huntington Ingalls Industries (HII) was awarded a \$94 million cost-plus-fixed-fee contract with an option worth another \$6 million for advanced planning and material efforts for repairs to the submarine.
