Subject: George Crider on the Binnacle List

George Crider has been in the hospital for a while now and I held off writing a Flash Traffic hoping for better news. This isn't in the near future. Our Chaplain, Ed Schaffer, talked to Sharon, George's wife and she related his condition.

He has lost a little toe – diabetes impacted requiring surgery and since, George has had a stroke, circulation problems, trouble breathing requiring oxygen and now MRSA (methicillin-resistant staphylococcus aureus.)

But George still can have visitors! He's in the John C. Lincoln Hospital, room 431. The room telephone number is (623) 879-1431. The hospital is at the southwest quadrant of Loop 101 and I-17, Black Canyon Freeway.
