Number: #8-06-2015 **Date:** 8/23/2015

Subject: Updates

Update:

First, George Crider is out of the hospital and in a long term care facility. The stroke, really wasn't, and was limited to an eye in the first place. And the MRSA has either cleared or is less embedded than originally thought.

Now, George is in "South Health (??)" room 205, phone (623) 334-5308. This facility is on 67th Avenue (west side of the street) just south of Thunderbird Road.

Confirmed:

Herb Coulter's Eternal Patrol service is at 10 a.m., Phoenix Memorial Cemetery. The actual pavilion is assigned by the cemetery staff and posted on a display as you enter the main entrance roadway. Early indications are that this may have a significant attendance to plan accordingly.
