Perch Base, United States Submariners

Shipmates, we need a volunteer driver and vehicle to pick up and pull George's trailer in the Frontier Days Rodeo Parade Saturday July 1, 2017. My truck is out of commission for at least a month so I cannot pull the trailer. Please contact me if you can pull the trailer at 602 418 8215 and I will help make arrangements with George's wife to pick up the trailer.
