Subject: Road Construction/Travel Restrictions

ROAD CONSTRUCTION

Roadwork will require lane restrictions and full closures on Loop 101, the interchange ramps and cross streets between 75th Avenue to I-17. Work will occur primarily during overnight hours and weekends to minimize traffic impacts, thus may affect travel time to future meetings at Dillon's starting September 2024. Although there is presently no closure scheduled for our next meeting on October 12, you can check the current status on the ADOT website [HERE](#).

You can also view the live Loop 101 cameras on the AZ511 website [HERE](#).

We will try to keep the restrictions up-to-date on the [Sailing Orders](#) page prior to each meeting.

This is an official email communication from the USSVI Perch Base and does not require a response.
