**Subject:** Link to the Korean War Educator website

I am the webmaster for the Perch Base of the United States Submarine Veterans, Inc (USSVI) located in Phoenix, AZ. We are also a non-profit organization, like you.

I have added a link from my home page <http://www.perch-base.org> to your Korean War Educator webpage for the Navy Accounts of the Korean War Submarines, [http://www.koreanwar-educator.org/topics/branch\\_accounts/navy/p\\_submarines.htm](http://www.koreanwar-educator.org/topics/branch_accounts/navy/p_submarines.htm) listing the US submarines that participated in the Korean War.

My previous link to another website is no longer active, necessitating a change.

I do not believe that this is an infringement (public information) and I do reference your website in the link, but as a professional courtesy, I am informing you of the link if you have any reason to object.

Thank you for keeping the memory of our warriors alive.

Sincerely,  
Dan Marks  
Webmaster
